

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- The college has clearly stated learning outcomes that are specified in mission and objectives statements.
- The students and staff are made aware of these through the acquisition of skill and knowledge about communication, reading-writing, presentation, group discussion, industrial visits, planning, decision making, marketing, banking transactions awareness etc.
- To make the teaching learning methods effective and to achieve learning outcome, teaching methods, our faculty members use modern teaching methods, aids and technology gradually to replace the traditional methods.
- The communication, reading and writing skill are assessed through exercises given in the classrooms. Competitive skills are developed more and more through participation of students in the different events.
- The group discussion, presentation, planning and decision making skill are assessed through seminar, workshop.
- The faculty members categorize students as weaker, average and advance learners by assisting them on the bases of group discussion, class performance and term tests.
- In order to improve the performance of the student's, college organizes remedial class for the weaker students, special coaching classes for the average students and special guidance for the advance learners.
- College organizes field studies, industrial visits, project, seminar, coaching classes for civil services, etc.
- Social awareness programmes are also organized by the departments and provides consultancy services.
- The achievements of learning outcomes are monitored by keeping a record of internal evaluation and university examination results of the students.
- The weaker students are given remedial coaching.
- The students are encouraged for participation in various curricular and co – curricular activities inside as well as outside the college.
- Discussion is made on the result analysis in the management and staff meeting in the beginning of every academic session.
- Corrective measures are taken to improve the learning outcomes.
